	Page
Minutes of the Twenty-Sixth Annual Meeting	4
List of Papers Presented	8
Research and National Defense, Alvin L. Moxon	10
Isolation and Glutathione and Thioneine from the Blood of Selenized Steers, H. D. Anderson and A. L. Moxon	16
Notes on Chordata for Day County, South Dakota, Paul G. Tschetter	18
Poisonous Plants of South Dakota, John K. Edwards	22
The Influence of Arsenic on Selenium Poisoning in Hogs, Alvin L. Moxon	34
Compound Formation Between Tungstic Acid and the Salts of the Organic Hydroxyacids, Keith H. Jacobson and Edwin H. Shaw, Jr.	37
Rate of Formation and Disappearance of Methemoglobin Fol- lowing Oral Administration or Injection of Sodium Nitrite, C. W. Jensen and H. D. Anderson	37
Practical Value of Seed Conditioning Process for Beans, H. Clyde Eyster	40
The Antirachitic Effectiveness of Fall and Winter Sunshine, G. C. Wallis	44
The Certesian Postulate Psychology, H. R. Fossler	46
The Pre-Cambrian of South Dakota, E. P. Rothrock	54
Pollen Tube Growth of a Self-Sterile Strain of Petunia, H. Clyde Eyster	56
The Dissociation of the Phthalic Acids, Lester S. Guss	57
Adaptation of the Color Reaction for Rotenone, Dihydroroten- one and Deguelin to the Photo-Electric Colorimeter, H. D. Anderson and A. L. Moxon	60
Cytological Studies of Toxicity in Meristem Cells of Roots of Zea Mays. II. The Effects of Lithium Chloride, John K. Edwards	65
A Study of Some Factors Affecting the Nitrate Content of Plants, E. I. Whitehead and O. E. Olson	67
A Kinetic Study of the Mechanism of Action of Surface Active Toxicants Toward Paramecium Caudatum, Donald F. Rayl and Edwin H. Shaw, Jr.	72
The Use of the Rhesus Monkey on Human Anatomy, Ben Mankowski	73
The Structure of Methyl Red, Lester S. Guss and George L. Brown	75
Studies of the Chemical Constitution of Gum Ghatti, Delbert Hanna and Edwin H. Shaw, Jr.	78
Color Photography in the Teaching of Plant Anatomy, Ward L. Miller	78
The Influence of Bacteria on the Toxicity of Sodium Laurylsul- fonate to Several Strains of Paramecium Caudatum, Paul Kay and Edwin H. Shaw, Jr.	80
